2017-2018

Dear Partner,

We value you. Throughout the year, we have programming near and far that impacts individual behavior, the planet and the wellbeing of people living in water poverty. Our mission is to ‘inspire individuals to recognize and solve our water issues through creative education, events and providing safe water access to people in need.’ We thank you for making our mission possible.

Over the years, our programming on Great Lakes’ beaches, in Ohio’s schools, and in Ugandan villages, refugee camps and slums, has made a huge impact. From 2010-2016, we:

- Reached over 10,000 students with our Wavemaker Program
- Held 41 beach cleanups
- Collected over 4,000 lbs of trash at Edgewater Park
- Built 18 large water and sanitation projects in Uganda bringing sustainable, safe water to 7,002 people
- Produced two documentaries
- Received 6,500 volunteer hours

If you are looking to get involved as a financial partner, partnership levels for 2017/2018 are as follows:

- **Platinum \$20,000+**
 - Receive prominent placement on all DLDT materials, monthly newsletter, informational trifold, mentions on press releases and any applicable radio, print, or web ads, a special blog post about our partnership, educational brown bag lunch with your staff, weekly social media interaction, 12 VIP passes to 4 Miles 4 Water, 6
